IRG Physical & Hand Therapy Hosts Fifth Annual Charity Golf Tournament Benefitting
Providence General Foundation and Everett's Imagine Children's Museum

EVERETT, WASH., April 6, 2022: IRG Physical & Hand Therapy is hosting its fifth annual charity golf tournament on Monday, August 8, 2022, at the Everett Golf & Country Club. This year's fundraising efforts will benefit the Providence General Foundation and Everett's Imagine Children's Museum. In 2021, the organization partnered with 10 local businesses to raise over \$20,000 for these two beneficiaries.

In addition to the golf tournament, this year's event will include both a live and silent auction with big-ticket items, contests and raffles, prizes, a sit-down dinner, and more.

Of their involvement with IRG's annual tournament, the Providence General Foundation's chief philanthropy officer, Tina Gilson, said: "Participating in IRG's charity tournament is [a] fun way to invest in the health and well-being of our local children. When you support Providence Everett's children's services, you're making sure the tiniest and most vulnerable in our community have access to the best health care available. Partnerships like this make a real difference for children and families in our community."

2022 will mark Everett's Wrecking Ball Demolition's fourth year of sponsorship of the tournament. Sam Newland, president of Wrecking Ball Demolition, says the following regarding the organization's involvement: "We are excited to come back again this summer to help raise money to provide life-changing care for children in our community. I encourage everyone to do what they can to support this event — big or small, every donation helps the community."

Those interested in sponsoring or participating in this event, or making a direct donation to the event beneficiaries, can contact events@irgpt.com for more information. More information regarding the tournament can be found at IRGPT.COM/GOLF.
